Serial number: _____

Date of purchase: _____ Retailer: _____

I have received the bike in a faultless and unused condition. I have been instructed on the use of this recumbent bike, its components as brakes and gears and the necessity of maintenance and service. I have received the owner's manual, will read it prior first use and will hand it to all future users prior they use the bike.

I acknowledge that personal data I disclose about myself will be stored, processed and used solely by HP VELOTECHNIK GmbH & Co. KG for warranty processing. I also understand that personal data collected here may be used for advertising addressed to me by post within the legal framework of the EU Data Protection (EUDATAP). If you do not wish to receive advertising by post, please delete the relevant parts of the previous sentence.

I accept that stored personal data I disclose about myself will be used solely by HP VELOTECHNIK GmbH & Co. KG to contact me for advertising purposes, via post, e-mail or phone. Please keep me up to date about future products or events.

via e-mail _____

via phone _____

I understand that I have the right to withdraw my permission for the future storage, processing or use of my personal data at any time with immediate effect, by sending a withdrawal request to datenschutz@hpvelotechnik.com, or through HP VELOTECHNIK GmbH & Co. KG's contacts listed above.

A copy of the sales receipt is added.
